

EC Declaration of conformity for Machinery Directive (EC Machinery Directive 2006/42/EG)

Chains which are used for hoisting applications are covered by the scope of the Machinery Directive 2006/42/EC. Requirements and regulations for „machines“ have to be applied.

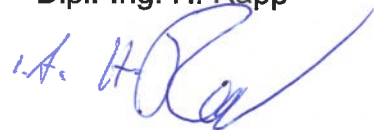

We, Rexnord Kette GmbH, Industriestr. 1 in D-57518 Betzdorf, hereby declare that
**Rexnord leaf chains LH and LL according to ISO 4347, AL series and
according to factory standard as well as
Rexnord roller chains according to ISO 606 and factory standard**
comply with the requirements of the above-mentioned Directive.
